Remarks

In view of the above amendments to the claims, the applicants submit that the claims now pending in the application are in allowable form.

OBJECTIONS**A. Claims 4, 6 and 8-10**

The Examiner objects to claims 4, 6 and 8-10 as being dependent upon a rejected base claim. Applicants have rewritten claim 1 to include the features of claim 4, claims 6 and 8 to be in independent form and 10 to depend from claim 6. In view of these amendments to the claims, the basis for the Examiners' objection thereto has been removed. Therefore, it is respectfully requested that this objection be withdrawn.

CONCLUSION

Thus, the applicants believe that all of the claims now pending in the application satisfy the requirements of 35 U. S. C. § 112. Thus, the applicants believe that all of these claims are in allowable form. Accordingly, both reconsideration of this application and its swift passage to issue are earnestly solicited.

If, however, the Examiner believes that there are any unresolved issues requiring a rejection of any of the claims now pending in the
